

It's Simple

- 1 Choose and Purchase a Plan**
Contact your installing dealer for pricing and purchasing options.
**A Complete Solution:
Choose One Plan or a Combination of Plans**
- 2 You're Covered**
Get peace-of-mind knowing if you should need service, you're covered.
- 3 Reliable Service**
Service and repairs can be scheduled at a time that is convenient for you and will be performed by your installing dealer or an authorized HVAC technician.

Purchase coverage in conjunction with your dealer's maintenance program and feel confident knowing your HVAC unit will be professionally maintained.

 **PROTECTION PLUS**
EXTENDED SERVICE PLAN

Plan Benefits

Fully Transferable: Protection Plus plans are fully transferable and can be a great benefit to a new owner. Fees may apply, see your complete terms and conditions for details.

Up to Ten (10) Years of Coverage: On units that were purchased from, and installed by, an authorized Protection Plus dealer within a period of the past five years.

Experienced Technicians: Service will be performed by the installing dealer or an authorized provider.

One Simple Call for Service: Call your Protection Plus dealer if your system needs repair.

Get Started and Stay Covered: Coverage can begin as early as thirty-one (31) days from the day the plan is purchased.

Choose From Our Plan Options

Labor Only

- Covers cost of labor for electrical or mechanical repairs
- 3, 5 and 10 year plans available

Parts Only

- Covers cost of parts used for repair
- If applicable, extend 3 or 5 year to 10 year parts warranty

Limitations and exclusions apply. See terms and conditions. Service contracts provided by member companies of American International Group, Inc. If service contract is paid monthly it will be subject to a 30 day wait period. Annual plans are subject to a 90 day wait period. If installing dealer is not available, we will locate nearest partner to handle service needs. For additional information, please visit our website at www.AIG.com.

Think Ahead

Typically, the manufacturer's warranty on an HVAC unit covers parts only. Our plans ensure you're covered for the expenses for labor, which on average makes up 70% of repair costs.

Simple Service Solution

If your system fails, you want it fixed fast. Protection Plus plans provide protection you can rely on with 100% of labor coverage and no out-of-pocket costs for deductibles, or fees for trips to your home.

Avoid Potential High Costs

<u>Common Repairs</u>	<u>Average Cost</u>
Replace Motor	\$450
Repair Leak	\$550
Replace Coil	\$800
Replace Compressor	\$1,500
